Hi Jenny – attached are the documents that should be included in our concurrent WD and ORC sign-off packages for our managers. I plan to assemble the ORC package shortly and begin sign-off at the BC level (my SC reviewed and concurred without edits/comments yesterday as she is out until next Tuesday). Please let me know if you have any questions. Note that I am including Lynne's email indicating that we've obtained OCE concurrence and that nothing further is needed by the Regions from OECA's perspective. I have also cc'd R3 so they are working from the same documents. Ideally, we'll have concurrence done by next Tuesday at the latest. Thanks-Jacquie
